Cubicle system made of 13 mm solid grade laminate

**schäfer**<sup>®</sup>  
Trennwandsysteme

Stylish and elegant partitioning.

BEFORE WE  
EXPECT TRUST FROM  
OUR CUSTOMERS,  
WE PROVIDE EVIDENCE  
*that's us!*

## ENVIRONMENT & SUSTAINABILITY *that's us!*

Sustainable management and careful use of resources are a matter of course for us and part of our corporate philosophy. This basic idea is consistently integrated and lived in our work processes. We are proud to be the first certified manufacturer of partition systems and lockers in Germany to operate according to the FSC™ and PEFC guidelines.

### PEFC - registered

We pay attention to a sustainable supply chain in which our products are procured under ecological, economic and socially just aspects.

### FSC™ - certified

As the first certified manufacturer in the area of partition systems and lockers in Germany, we make an active contribution to the protection of our earth with this future-oriented procurement method. We supply almost our entire range from sustainable wood in accordance with the specifications of the FSC™.

On request  
the products are  
available with  
FSC™ certification

## TÜV NORD GS TESTED SAFETY *that's us!*

Tested and certified by TÜV NORD these products meet the requirements of the Product Safety Act ProdSG § 21 Registration No. 44 329 14148812.

## MADE IN GERMANY *that's us!*

Our products are manufactured for you at the company site in Horhausen, Rhineland-Palatinate. This is the only way we can guarantee the high quality standards we set for our products.

## PREQUALIFIED *that's us!*

We are registered in the list of prequalified construction companies with the number 010.049740, proving that we are qualified for the products and services we offer.

## INNOVATIVE & DESIGN-ORIENTED *that's us!*

With our design-oriented and innovative products, we convince not only our customers, but also national and international committees.

## WC partitions with a floating look.

The VK13 JUMP toilet partition lends a special lightness to the sanitary room. It seems as if the unit is floating above the floor. A visual highlight combined with an efficient side effect. Due to the design, the toilet partition is supported on recessed feet. As a result, no supporting feet are visible in the front. The resulting clearance makes maintenance much easier. Cleaning can be done more quickly and therefore more efficiently.

### Interesting facts about VK13 JUMP

(1)

#### WC partition wall made of 13 mm solid grade laminate

- Recessed supports give a floating look
- Floor clearance ensures a quick and effective cleaning
- Fully waterproof construction
- Suitable for wet and dry areas
- Large variety of decors and colours
- Customised motif prints are possible
- Sturdy and durable construction
- System will be produced acc. to the building site dimension

(2)

#### Privacy screens

- Wall-mounted privacy screens
- Made of 13 mm solid grade laminate
- Revolving edge is always black
- Installed with durable aluminium holders
- Waterproof
- Wall-mounted structures without bottom support feet are particularly hygienic, since floor cleaning can then be faster and more efficient
- Wide range of colours available
- Motif prints are optionally available
- Privacy screens will be produced acc. to the building site dimension

(3)

#### Shower dividing walls

- Also combinable with curtains, swinging doors, splashwalls and many other outfitting options

## Features type VK13 JUMP

### Support:

- Recessed supports
- Completely made of anodised aluminium
- Large front elements are stabilised with an additional aluminium bracket which is screwed on the dividing wall
- Side walls get additional stabilising brackets at the wall connection, too

### Hinge:

- Anodised aluminium rising hinge with high-performance polymer
- These inserts guarantee absolute freedom from maintenance and a silence closing of the door
- The parts never wear out or show signs of fatigue, ensuring that the doors still close perfectly even after years of use
- Stainless steel tapping screws are used to screw stainless steel hinges to a plate equipped with tapping holes

## Variations of accessories type VK13 JUMP

### Hardware:

Nylon  
one hand door knob

Stainless steel  
one hand door knob

Aluminium  
one hand door knob  
INSAFE

### Buffer and hooks:

Aluminium buffer  
Schäfer AL7015

Stainless steel buffer  
Schäfer ES6015

Nylon buffer  
Schäfer N8015

Aluminium hook  
Schäfer AL7011

Stainless steel hook  
Schäfer ES6011

Nylon hook  
Schäfer N8010
